

Additionally, the specification has been amended at page 22 to enter in a PCT application number, unavailable at the time of filing the present application.

Attached hereto is a marked-up version of the changes made to the specification and claims by the current amendment. The attached page is captioned "**Version with markings to show changes made.**"

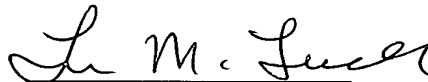

For the Examiner's convenience, a clean claim set is attached.

Early and favorable action on the merits is respectfully requested.

Please charge any fees or credit any overpayment in connection with this application which may be required by this or any related paper to Deposit Account No. 05-0840.

If the Examiner has any questions, or would like to discuss any matters in connection with this application, he or she is invited to contact the undersigned at (317) 277-3537.

Respectfully submitted,

Attachments: Clean Claim Set

**VERSION WITH MARKINGS TO SHOW CHANGES MADE**

On page 8 of the specification, line 11, please replace “an antifungal” with “a fungal”.

On page 22 of the specification, line 1, please insert “PCT/US00/15021” for the blank serial number.

**In the Claims**

Please cancel Claim 13 without prejudice or disclaimer of any of the subject matter contained herein.

The claims have been amended as follows:

14. (Amended) A pharmaceutical formulation comprising [a] said pseudomycin prodrug or said pharmaceutically acceptable salt or solvate thereof of Claim 1 [or 7] and a pharmaceutically acceptable carrier, buffer, diluent, or excipient.

15. (Amended) A medicament for treating [an antifungal] a fungal infection in an animal wherein said medicament comprises [a compound] said pseudomycin prodrug or said pharmaceutically acceptable salt or solvate thereof of Claim 1[ or 7].

16. (Amended) A method for treating [an antifungal] a fungal infection in an animal in need thereof, comprising administering to said animal [a] said pseudomycin prodrug or said pharmaceutically acceptable salt or solvate thereof of Claim 7[, 8, 9, 10 or 11].
